"Wow, the rhubarb pie was incredible!! I am a real pie connoisseur and I've never before found a pie from any bakery that tasted as good as (or actually better!) than homemade. (Don't tell my mom but yours are as good as hers and she is a GREAT pie maker!)" *Tim M.*

"The cake was amazing. One of the best I have ever had. We loved how the light sweet filling was complimented by the rich butter cream. I was specifically pleased that the icing was not over-powering. A lot of cakes overdo the icing; yours was perfect. The staff at the Sweet Shop made every effort to accommodate our special order. Compliments to the shop!" *Kurt V.*
